

Agreement to Serve as Calontir Branch/Group Herald

I agree to serve as group Herald within the Kingdom of Calontir.

I understand that the office of Herald is very important to my group, the Kingdom and the SCA. The duties and responsibilities of this office assist my group to enhance the participation and experience of members in the SCA.

I understand that the duties of the office of Herald are outlined in the Herald Handbook, which is located on-line at the kingdom website. Additionally, I understand that it is recommended that a physical copy of the handbook be printed from the on-line source and kept in the permanent files of the local office.

I understand that my warrant as herald may be lost due to failure to administer the duties of the office, or repeated failure to send in on-time reports, or failure to maintain my SCA membership.

I agree to carry out the duties and responsibilities of my office to the best of my ability.

I wish to become the Herald for the group _____.

I have discussed this with my group's Seneschal and the group desires me to be their heraldic officer.
